Niramaya:

This health insurance scheme will be available only for the disabilities covered under national trust. We had registered 15 NIRAMAYA cards.

- Affordable health insurance to Intellectual disability, Cerebral palsy and Autism
- Health insurance covers up to Rs.1.0 lakh. In Particular it provides Rs.20,000 per year for the Therapy services.
- Every year the renewal of policy has to be done online.

Quiz abled:

Quiz-abled is a distinctive quizzing program for children and youth who are differently abled. This competition was held at our trust. 18 of our students participated in the competition through online. Prizes and certificates were awarded to winners and certificates had been given to the participated students. Our student Selvan.Kaviyarasu won the cash award Rs.5000 for his excellent performance.

After Covid-19 Relief work.

We planned to do something - So we started a after COVID-19 relief effort. We have distributed 180 survival packs (consisting of rice, dry provisions, Soap, toothpaste and brush) to those most in need.

Initially we have started to give our school students. After that went to reach rural families of children with special needs in Sanarpatty and Natham Block in Dindigul District.

This generous donation gave us the ability to extend our support to more needy people. We are always very grateful to the Redington Foundation. Also, this is the timely help at the right time.

Upadeshak' Visit:

We had a good chance to get Upadeshak Mr. Srikanth and Mr.Arunragavan, from Bangalore, through Niranthara programme. They also expressed their willingness to work with us and visited all the projects implemented by the ARVI on 30th October to 1st November, 2021. Also discussed with the staff and beneficiaries and gave necessary suggestions to take our projects/projects to the next level. Their visit was meant to inspire the Organization, Staff and beneficiaries. The family of ARVI always welcomes and wants their service.

We would not reach those needy people without the support of donors, our sincere gratitude to all our donors who supported and initiated support, and shared our message to all their friends and families.

Request from Adi Diravidar Primary School:

Govt Adi Diravidar Primary School in Indrapuram, (near Chinnalapatty) Aathur block of Dindigul District. In that school, 35 children are studying. All children coming from different backgrounds are from the weaker sections. The school management needs some sponsorship regarding sitting benches for the school. It will help the lower-class children especially for the

children to sit and study. They approached ARVI. Our team visited the school, found out the basic and immediate needs of the children and discussed with the school authorities their needs. We issued 7 sitting benches for the Govt Adi Diravidar Primary School in Indrapuram with the support of Aram Porul, Chennai.

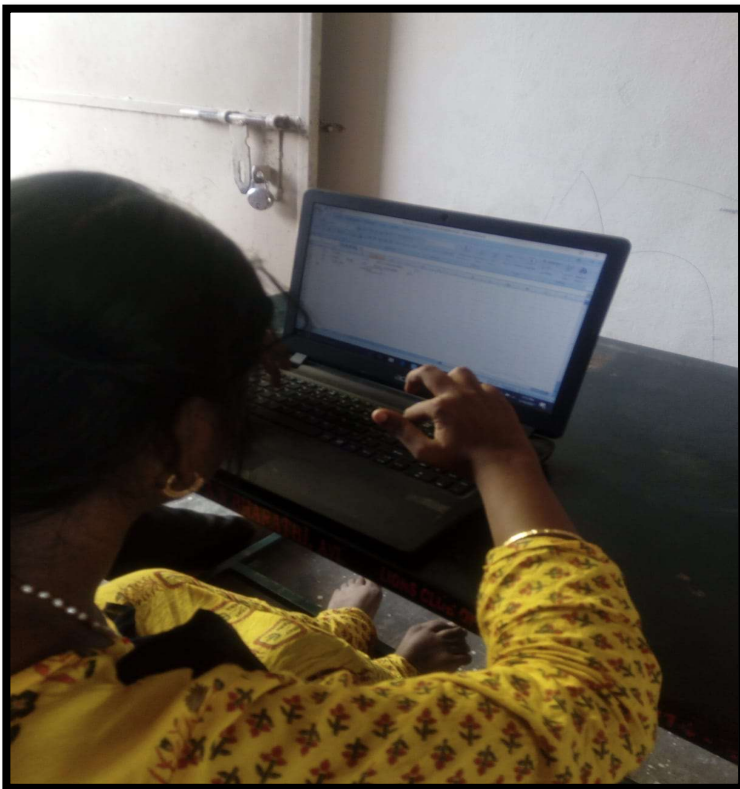

*"It's little help but it gives big
Smiles."*

Eklavya Public School:

At present we have 27 students studying 10th and 12th standard through this open schooling system. It helps the student's up to pre-degree level including secondary, senior secondary, skill and vocational education. This is exclusively very useful for Persons with disabilities and school dropouts. In the October – 2021 session 19 students passed out with 100% result.

For more information call to 9843160475.

Data entry training:

Data entry training is the right choice for adults with moderate to severe intellectual disabilities using information technology. This technology wise training is conducted to our trust. It helps students be employable. This technology is changing life and economically empowering with more help for intellectually disabled people. Now we are providing training to 32 students with the support of AMBA, Bangalore.
